GAS WILL BE SHUT OFF WHILE MAKING REPAIRS

None in the Afternoons for Three Weeks.

WORKING BETWEEN HERE
AND MOUNT GILEAD

Manager M. A. Mickley Announces Today That Public Will Be Notified.

Work on the repair and relaying of new pipe between Marion and Mt. Gilead will begin this week, according to an announcement made this morning by M. A. Mickley, manager of the local gas company.

The work will be rushed to completion, but it is expected that it will take about three weeks to do it. The work will be done by three gangs consisting of seventy-five men each, the first gang to start work Tuesday.

The gas will be shut off several afternoons each week, from noon until 5 o'clock, probably starting Thursday.

Announcement of these days will be made in advance. Manager Mickley said today. The Logan Gas company has gone over its entire line, making these repairs and laying new pipe.

A Few Practical Suggestions on

Heating Stove Values

—In the purchase of a Heating Stove there are three costs that always must be paid.

- 1.—Cost of Stove.
- 2.—Cost of Fuel.
- 3.—Cost of Repairs.

You owe it to yourself, do you not? to carefully investigate what these costs will be, covering a period of years. In selecting a heating stove you may accurately determine in advance what these three costs will be.

There are many Round Oak features which we will be glad to introduce to you—such as Seamless One-Piece Ash Pit, an air tight stove; double firepot and boiler iron body which mean durability for years to come.

COMMITTEE IS CALLED TODAY

Probers Will Meet in Washington Next Wednesday.

PREPARING TO VISIT WEST VIRGINIA SOON

Members of Committee Are Not Sure of Date When They Will Open Investigation.

Washington, Sept. 12.—A meeting, Wednesday, of the senate committee appointed to investigate the mine war in the West Virginia coal fields, was called today by Senator Kenyon, Republican, Iowa, the committee chairman.

Kenyon, on his way from his summer home at Salisbury, Maine, wired a notification of the meeting to the other committee members—Shortridge, California, and Sterling, South Dakota, Republicans, and McKeller, Tennessee, and Walsh, Massachusetts, Democrats—who are already here.

Kenyon is expected to arrive today or tomorrow. All of the committee members except Sterling are in favor of going to scene of the recent labor war in West Virginia without further delay. Kenyon's purpose in calling the committee together, Wednesday, was to have its members plan a survey of conditions in West Virginia and decide whether they shall go to West Virginia before Sunday next, the day originally fixed for them to gather at Huntington. It is thought they may decide to go Thursday or Friday, instead of waiting until Saturday.

EXPLOSION WRECKED SIX BIG OIL STILL

Halifax Is Shaken by Explosion This Morning.

Halifax, N. B., Sept. 12.—A terrific explosion wrecked six great oil stills of the Imperial Oil company here today.

One person is missing and two others are badly injured. The damage is estimated at more than \$1,000,000.

There were twelve high-pressure oil stills in the district swept by the explosion. The explosion caused tremendous excitement, as many recalled the unprecedented war munitions explosions here in 1917, when part of the city was destroyed and they feared a similar disaster.

The scene of the blast was at Dartmouth on the eastern side of the harbor.

GOLD RESERVE OF COUNTRY INCREASED

Climbs \$500,000,000 in Eight Months, Says Report.

Washington, Sept. 12.—The gold reserve of the United States was increased by nearly a half a billion dollars during the first eight months of this year, it was announced today. The United States has practically a "corner" on the world's available supply.

Gold received during the first eight months of this year totaled \$502,349,531 and imports were only \$11,087,140, leaving a net balance in favor of the United States of \$491,262,391.

For August the imports were \$36,235,820 and exports, \$671,652.

Will Participate. Washington, Sept. 12.—The participation of Holland and Belgium in the Washington armament conference become virtually assured, today, when it was learned that at least two of the big powers have consented to the representation of the two smaller countries, as suggested by the United States.

ATTEMPT TO BREAK JAIL AND CONFESSION

Leads to Recovery of Stolen Property.

An attempt on the part of John Hardisty, Jr., who resides south of Marion, to break out of jail Saturday night, led to a confession to a series of robberies and the recovery of a large amount of stolen property by Sheriff Frank A. Warburton, Sunday and this morning. Hardisty, in his confession, implicated his father, John Hardisty, and James Warren, who were arrested Sunday. Young Hardisty was placed in the women's department of the jail for investigation and tried to escape by taking a panel out of a door. When he emerged into the hall the sheriff, who had heard Hardisty working and was waiting for him for three hours, caught the man and placed him in the men's department of the jail. Hardisty's confession followed. Property recovered included a motorcycle, auto light tank, chicken harness, lawn mower, corn, milk can, automobile tire, gasoline can, potatoes, coal and a storage battery. Hardisty said the three have been working together since March 1.

ENTERTAIN COMPANY AT DINNER SUNDAY

In Honor of Their Fourth Wedding Anniversary.

Mr. and Mrs. Nicholas Lang entertained a company of friends and relatives with a dinner, Sunday, at their home on Pennsylvania avenue, in honor of their fourth wedding anniversary. The house was decorated with fall roses and marigolds and the center-piece of the table when dinner was served was a huge basket of marigolds. Dinner was served in four courses. Mr. and Mrs. Lang received many beautiful and useful presents. Covers were laid for Mr. and Mrs. John Frederick, Mr. and Mrs. Irvin McEwen, Mr. and Mrs. George Frederick and children Eugene and Raymond, Mrs. Helen and Lela Miller, of Tiffin; Mr. and Mrs. Aaron Miller and children, Ralph, Arthur and Lillian, of Melmore; Mr. and Mrs. Jacob Henry, of Postoria; Mr. and Mrs. Harvey Miller and daughter, Waketta, of Marion.

"THIRTY" FOR FATTY ARBUCKLE IN MARION

Marion Theater Manager Bans Screen Star's Picture.

Assuming that newspaper accounts regarding "Fatty" Arbuckle are true, Manager G. H. Foster, of the Marion theater, stated today that the corpulent screen star's pictures would not be shown at the theater. Manager Foster also spoke for the Orpheum theater and announced that the pictures would not be shown there. Arbuckle is held in connection with the death of Virginia Rappe in San Francisco. Mr. Foster deplored the fact that such a tragedy should occur in the silent drama circles and also that it came just at this time when Charley Chaplin, the greatest screen comedian, was receiving such an ovation in his native land, a tribute to all members of the motion-picture world.

PERSONAL

Mr. and Mrs. George Cook, Mr. and Mrs. Charles Solis and daughter, Lettina; Mrs. R. W. Murray and sons, Charles and Lester, and Mrs. Minnie Underwood, of Columbus, were guests at the George Foster home on Reed avenue, Sunday.

Mr. and Mrs. Drough Brown and Mrs. Jane Earnest, of east Center street, had as their guests one day last week Mrs. Jane B. Bloom, her daughter, Mrs. Jane B. Kemble, and Mrs. Kemble's daughter, Margery Jane, all of Mansfield. Mrs. Bloom who is ninety years of age, and Mrs. Earnest, who is eighty-one, have been life-long friends. There were five at the dinner table by the name of Jane, the other one being Mr. and Mrs. Brown's daughter, Lucy Jane.

CAR SALESMAN FOULY SLAIN

Chicago Youth Said To Have Confessed Deed.

PRISONER BREAKS DOWN UNDER GRILL

Youth Said To Have Killed Men in Chicago To Obtain Possession of Motor Car.

Chicago, Sept. 12.—Harvey W. Church, the 20-year-old youth accused of slaying H. J. Daugherty and Carl Ausmus to obtain possession of a \$3,400 automobile, broke down after 12 hours of questioning and made a complete confession, according to the police.

The youth, brought back from Adams, Wis., his former home, where he had driven his mother in the car Friday, the day after the murder, was quoted as admitting that he alone planned and executed the tragedy.

The terrible beatings shown on the bodies and the trussing of both was merely "to be sure they were dead," according to the alleged confession, which in part follows:

"Ausmus waited in the car outside my house at the curbing while I went inside with Daugherty. I told him I would give him the money in the parlor. When I got to the parlor I drew a pistol. He just held up his hands. I guess he thought I was going to rob him.

"I pulled out the handcuffs with one hand and told him to hold on to his hands one at a time. I took him to the basement. When we got down stairs I took the baseball bat in one hand. I swung the bat with all my might and it caught him right across the head. He went down. "I kept beating him over the head until he didn't move any more. I hit him with a bat and with a hatchet. Then I cut his throat. Then I went upstairs and waited. I knew Ausmus would come in. He did a few moments later and I went through the same thing with the other fellow. "After I had killed them both I waited until dark and put Ausmus in a hole in the garage. Then I bound up Daugherty's body in a quilt and dragged it to the automobile. I dumped him in the river right over the bridge, where he was found floating."

The body of Daugherty, a former Harvard student and captain in the tank corps, whose home was in St. Paul, was found by a passerby in the Desplaines river, on the outskirts of the city, and a few blocks away from the Church home, Friday. A strand of rope was twisted tightly about the throat, which was cut from ear to ear. A pair of regulation police handcuffs dangled from one wrist. A search of the garage behind the Church home revealed the body of Ausmus, who had been buried while yet alive, according to the coroner.

TO BAN ARBUCKLE PICTURES IN OHIO

State Director of Education Is Taking Action.

Columbus, Sept. 12.—Relief that films showing "Fatty" Arbuckle should be immediately barred by Ohio's motion-picture theaters, was expressed here today by State Director of Education Riegel. "I expect to act this afternoon," said Director Riegel, who has charge of the state's censorship of movie films. It is expected, however, that no official statement will be issued until after a conference between Director Riegel and Attorney General Price. Mrs. Evelyn Snow, chief of the film censorship board, has recommended to her chief, Director Riegel, that further showings of Arbuckle films be barred throughout Ohio.

Misses Margaret and Cornelia Knauft, of Cleveland, were guests Saturday and Sunday of friends in the city.

TEN PRISONERS ARE ARRAIGNED FOR SENTENCE

Pleas of Not Guilty Entered in Four Cases.

Ten prisoners indicted by the September grand jury were arraigned in the common pleas court at 1 o'clock yesterday afternoon. One pleaded guilty to carrying concealed weapons and five entered pleas of guilty to larceny. Three were sentenced to terms in the Ohio State reformatory at Mansfield; one to a term in the Ohio State penitentiary, and sentence was reserved in two cases. Pleas of not guilty were entered in four cases.

William Earley, aged twenty-one years, entered a plea of guilty to an indictment charging carrying concealed weapons. He was given a minimum sentence of one year in the Mansfield reformatory.

Thomas Aldrich, aged forty-six, entered a plea of guilty to a charge of larceny, the theft of a number of chickens, and was sentenced to a minimum of one year in the Ohio State penitentiary.

Wilbur Wilber, aged thirty-six, and Milton Hopkins, aged thirty-one, each entered pleas of guilty to charges of larceny. Each man stated he is married and has six children. Sentence in their cases was taken under advisement.

Frank Johnson, aged nineteen years, pleaded guilty to an indictment charging stealing an automobile and was sentenced to a minimum of two years in the Mansfield reformatory.

Chester Welby, aged twenty years, pleaded guilty to a charge of abducting an automobile and was given a minimum sentence of two years in the Mansfield reformatory.

William Murphy, charged with stealing an automobile, entered a plea of not guilty. His bond was fixed at \$1,000 and his case assigned for trial Thursday.

William Smart, charged in one indictment with stealing an automobile and in another with stealing eleven automobile tires, entered pleas of not guilty to both. His bond in each case was fixed at \$1,000 and trial of the case on the charge of stealing the automobile was assigned for Friday.

Floyd Snair entered a plea of not guilty to a charge of passing altered checks and his trial set for Tuesday, September 20. His bond was fixed at \$750.

C. M. Walters, charged with stealing an automobile tire, entered a plea of not guilty. His bond was fixed at \$1,000 and his case set for trial Monday, September 19.

ANOTHER CHAPTER IS WRITTEN TODAY

Domestic Tragedy in Spiker Home in Baltimore.

Baltimore, Md., Sept. 12.—Another chapter was written, today, in the internationally famous romance, of a young English war mother, an errant husband, a forgiving wife and the brother who offered himself on the altar of matrimony, seeking to right a wrong and gave abode to the former sweetheart of his kin. It became known that Mrs. Emily Knowles Spiker, wife of Guy S. Spiker of this city and mother of the now nearly two-year-old son, Pearly Spiker, her husband's brother, is missing from her home. There is no trace of her whereabouts although she is believed to be still in Baltimore.

It is said Mrs. Spiker fled from her East Baltimore home several weeks ago, leaving a note informing her husband that she no longer cared for him and according to friends of Guy Spiker, there is little likelihood of a reconciliation should the wife be located. It is also said that another note to Spiker advised him to seek a divorce and telling him to send his answer care general delivery.

At any rate, the little home in East Baltimore is broken up, the furniture has been sent back to the store which it was purchased and while he is reported as being heartbroken, Guy Spiker is quoted as saying:

"She went of her own will; she can stay."

IN COMMON PLEAS

Pleas Not Guilty. Homer Willis entered a plea of not guilty to a charge of attack when arraigned in the common pleas court Monday. His bond was fixed at \$1,500 and the case assigned for trial for October 19.

Husband Gets Decree. In the account of the divorce suit of Nellie E. Young against Francis G. Young, in Saturday's Star, it was erroneously stated the decree was awarded to the plaintiff. The defendant was granted a divorce on his cross-petition charging gross neglect.

POMONA GRANGE MEETING AT LARUE SATURDAY

Attended by About 300 Other Grange Representatives.

Larue, O., Sept. 12.—[Special.]—About 300 representatives from Marion county granges attended the meeting to Pomona grange Saturday evening, in the Knights of Pythias hall here. The fifth degree was conferred on a class of fifty-eight candidates by the degree team from Wyandot grange, Mansfield, captained by Andrew Johnson. Visitors were present from Hardin county and Joseph Silverman, Marion county grange deputy was present. It was decided to hold another meeting of Pomona grange, October 8, with Montgomery grange, at DeCliff.

THE AMERICAN MARINE IS HIT

Suffers Because of Many Secret Agreements.

CHARGES MADE BY WASHINGTON SENATOR

Great Bulk of Shipping Board's Tonnage Tied Up for Want of Cargo, Says Senator Jones.

Washington, Sept. 12.—Charges that secret agreements between American railroad and foreign shipping companies, or American lines with foreign connections, have caused the great bulk of the shipping board's tonnage to be tied up for want of cargo, are made by Senator Wesley Jones of Washington in a report to Chairman Lasker of the shipping board.

The report was made, Senator Jones said, by "an experienced railroad man tremendously interested in the upbuilding of the merchant marine."

The proportion of American commerce carried in American bottoms has fallen, the report avers, from 50 per cent in 1920 to "hardly more than 30 per cent this year," the decrease being attributed largely to "failure to enforce the chief provisions of the merchant marine act."

AN AGREEMENT ON OIL TAXES

Reached by Oil Company Officers and Obregon.

Loan for Mexico IS TO BE FLOATED

Reported Morgan & Company Will Send Representative To Look After Loan.

Mexico City, Sept. 12.—An agreement was made by the presidents of American oil companies who recently reached an agreement with President Obregon on export oil taxes, to float a loan for Mexico, it was reported on reliable authority today.

Walter C. Teagle, president of the Standard Oil company of New Jersey, was among the American oil officials who came here recently to settle the oil question. Large contributions to the loan, it is said, will be made by the American oil companies.

It is reported that Thomas W. Lamont, of Morgan & Company, will soon come to Mexico City to make arrangements for the loan.

Mexican newspapers, in commenting today on the international situation, said they expected the report of the American oil presidents to energize, of Postoria; Mildred and Julia President Harding and Secretary of Deisler, of Columbus, and Leonard State Hughes "will change Washington's policy toward Mexico."

SCHOOLS OPEN WITH LARGER ENROLLMENT

Harding High School Has About 560.

AND JUNIOR HIGHS HAVE CLOSE TO 1,000

Enrollment at Various Grade Schools—Second Year for County Normal.

City schools and the Marion County Normal school opened for the year 1921-22 this morning. Indications point to a much larger enrollment in the city schools than last year and the enrollment at the normal school is nearly twice as large as last year.

Today's opening of school inaugurates for the first time in the history of the city, the junior high school system. Two junior high schools have been established, one at the Central building and the second at the new Vernon Heights building. The enrollment at the Central Junior High was 633 and that at the Vernon Heights building was 298.

Today's session of school consisted principally of the enrollment of pupils and the distribution of book lists. This afternoon a number of the grades returned to school in order to arrange some necessary transfers.

Not So Many Freshmen.

One noticeable change in the Harding high school was the absence of a large freshman class, due to the inauguration of the junior high school system. Only those freshmen who wish to take vocational training reported at the Harding High this morning. Under the new plan the seventh and eighth grades and the freshman class are placed in the junior high and the senior high is made up of the sophomore, junior and senior classes of the high school. The Harding high school enrollment was estimated today at 560.

Departmental schools consisting of the seventh and eighth grades were Oakland Heights, Glenwood and Silver street buildings. All of the rooms provided by new construction during the past year were occupied this morning with the exception of the North Main street building. Pupils to be assigned to this building are being cared for at the State street school and will continue on half-day sessions until the new building is ready for occupancy in about ten days.

It's Second Year.

The County Normal school, under the direction of Miss Haldee C. Gross, began its second year this morning in room No. 12, of the arding High school building. Last year the school was housed in the departmental building on west Center street. The enrollment this morning was twenty-seven, nearly double that of last year, and it is expected that this will be increased within a few days.

Enrollment at the grade buildings, which reported this morning, is Forest Lawn, 331; Glenwood, 426; Greenwood, 222; Lincoln, 213; Mark, 240; Oakland 429; Olney, 273; Silver, 492; and State, 316.

CHINCH BUGS WON'T DAMAGE WINTER WHEAT

Sown in Corn Ground Where Bugs Now Are.

Chinch bugs will not seriously damage young wheat sown in corn ground where bugs are now present, according to T. H. Parks, Columbus state extension entomologist at Ohio State university. S. B. Stowe, county farm agent, this morning received this information from Mr. Parks.

Marion county farmers have been somewhat concerned over this question because of the unusually large number of chinch bugs working in young corn. A number of farmers have reported that corn planted late is being considerably damaged by these bugs, some of the corn drying up and dying.

Mr. Parks stated that there is sometimes a little damage to wheat planted in corn ground where chinch bugs are now present, but it is not serious enough to justify abandoning the plan of sowing wheat there. The most of the bugs will leave the field in October. Mr. Parks said and move into the fence rows and wood. Burning dense grass should not be done until November in order to allow the bugs time enough to gather into it.

Mr. Parks said that Hessian fly does not appear to be an immediate menace in any section excepting Northwestern Ohio. He suggests that in this section the sowing dates observed last year be observed again to be safe from fall damage. Last year the fly-free date was given as September 24 with September 26 as the preferred date for sowing wheat.

Is Hanged Today.

Union No. 9, Sept. 12—After eating a breakfast of fried chicken, John W. Carroll, of Fairbance, Pennsylvania, wounded veteran of the Arkansas, was hanged in the jail yard here today for complicity in the murder of Benjamin Schube, who was slain last November 20. Carroll went to his death stoically. Charles Jacob, convicted for the same crime, was hanged here last month.

CITY IN BRIEF

No Tennis Match, Rale—On account of the rain the tennis match between Bucyrus and the Marion Tennis club was postponed Sunday. It is expected that the match will be played next Sunday.

Garage, Residence Addition—Two building permits were issued by the city clerk Saturday, as follows: Harrison Deal, residence addition, Pearl street, \$600, and A. C. Snider, garage, Girard avenue, \$200.

Stolen at Gallon—The local police received a call from Crestline, Sunday evening asking them to be on the lookout for a Ford machine with Ohio license No. 401354 that was stolen at Gallon. A description of the machine was furnished the department.

Centennial Committee—Letters have been sent out to members of the Centennial celebration committee for a meeting Wednesday afternoon at 4 o'clock for the purpose of organizing and making preliminary plans for a centennial celebration next year.

Theater Employees at Picnic—About thirty employees of the Orpheum and Marion theaters enjoyed a cora and wiener roast Sunday evening at the "Nick" Her farm seven miles southeast of the city. Music by a stringed orchestra was a feature of the evening.

Junior McCormick Honored—Junior McCormick, presidential West Point appointee now in training at Marion Academy, Marion, Alabama government "honor school" for entrance at the national military school next June, has been appointed assistant editor-in-chief of the Marion academy school newspaper "The Skirmisher." The appointment was made by the school faculty.

News of the Boy Scouts—The closing of the summer camp activities in Boy Scout circles will begin this week and plans will be made for the winter's work. Troop No. 6 will meet this evening in the Y M C A building. Troop No. 6 will meet Tuesday evening under the direction of Roy Wagner, Boys' secretary, until a new scoutmaster can be secured. Carl Longshore was former scoutmaster of this troop.

In Two Brides—Roses and garden flowers adorned the McNeil home on Superior street Saturday afternoon for a tea given by Mrs. Arthur Harris and Miss Marion McNeil, complimenting Miss Harriet Hoover and Miss Mary Anderson. Covers for twenty were placed at flower-trimmed tables and little bride placed cards and nut dishes were found at each cover. Miss Marion Desley of Canton, was the only out-of-town guest.

A Bad Storm—One of the worst storms of the season struck Marion Saturday night between the hours of 8.30 and 11 o'clock. One and

fifty-five hundredths inches of rain has fallen since the rain of Saturday afternoon, about five hundredths falling in the storm of Saturday afternoon and evening. While the lightning and wind was quite severe during the rainstorm little damage is reported throughout the country.

Birthday Anniversaries—Mr. and Mrs. H. Byers of Franconia avenue, entertained a company of young people Saturday evening in celebration of the birthday anniversaries of their daughter, Leah Byers and her cousin, Miss Florence Byers. The evening was passed with games and music. Those present were Mr. and Mrs. Henry Calender, Miss Harriet Hale, Dorothy Bauer, Geneva Betz, Messrs. Bruce Hale, Ernest Bauer, William Betz, James Kelly and Billy Byers.

Entertained at Dinner—Mrs. Carl Worden of No. 612 east Church street, entertained at a dinner party Saturday evening in honor of the fifteen birthday anniversary of her son Paul Worden. Baskets of gold-enred made the rooms attractive for the occasion and the young people passed the evening with games and convsats. Covers were laid for Misses Elinor Wideman, Blanche Wideman, Freda Poirman, Thelma Schlagel, Messrs. Eugene Mosler, Hollis Schingel, James Wideman, Earnest and Wilbur Wittred, Kenneth Fields and Dwight Poorman.

Auto and Garage Burned—Fire of an unknown origin destroyed the garage and Gardner automobile of J. H. Taylor, of No. 611 Myr street, about 2.30 o'clock this morning. The blaze gained good headway before being discovered and fire department No. 3 responded to the alarm. On the arrival of the firemen the garage was burned to the ground together with the contents including the automobile. The loss is estimated at \$1,000 and is partly covered by insurance. The end of the residence of Mr. Taylor was scorched and a couple of windows were broken by the heat.

Wolven Auto Recovered—Raymond Burkard, of 225 Thew avenue, reported to the police Saturday night, that his Oldsmobile touring car was stolen from north Prospect street between 8 and 10 30 o'clock. He furnished the department a description of the machine which was this year's model with wooden wheels and carried Ohio license No. 64734. The departments of the various surrounding places were notified by telephone to be on the lookout for the machine and Sunday morning it was found on the Campbell road. The machine was headed north and was against a tree on the east side of the road about a half mile south of the garbage disposal plant. The machine was quite badly damaged.

Dowler's Band Picnic—The second annual picnic of the members of Dowler's band and their families, was held at the home of Albert Click, three miles southeast of the city, Sunday afternoon and evening. The afternoon was passed in various social ways and a concert was rendered by the band. An elaborate dinner was enjoyed in the evening and a concert followed. The bands is to be recruited to fifty members for the coming year and the proposition of making a tour on Chautauqua work is being considered. At a business session the officers were elected as follows: Albert Click, president; O. C. Apt, vice president; John W. Dowler, secretary; L. E. Melster, treasurer; William Dowler, musical director and business manager; J. T. Dowler, assistant business manager.

In Mother's Honor—Honoring her mother, Mrs. T. B. Carmical, of Houston, Missouri, Mrs. C. R. Leavens invited a number of relatives and friends to a family reunion and picnic dinner at McKink's park Sunday. A fine dinner was served and a pleasant day enjoyed. Those present to enjoy the day with Mrs. Carmical were Mr. and Mrs. Charles Elsie, Mr. and Mrs. Frank Miller,

MRS. FRED KOWALKE DIES AT AGE OF EIGHTY-EIGHT

Broken Hip and Age Infirmities Cause of Death.

COMES TO AMERICA FROM GERMANY ON HONEYMOON

Lives in Home Where She Dies Since 1868—Funeral Tuesday Morning.

After weeks of suffering from a broken hip, Mrs. Frieda Kowalke died from the effects of her injury and the infirmities of age at her residence, No. 221 south Main street, Sunday night at 9:50 o'clock. She broke her right hip eight and a half weeks ago.

Mrs. Kowalke was eighty-eight years of age and the widow of Frederick Kowalke. She was born at Jastrow, Germany, August 20, 1832, a daughter of Mr. and Mrs. William Zimmermann, and was married at that place in March, 1854, coming to this country on her wedding trip. After coming to this country Mr. and Mrs. Kowalke resided in Philadelphia four years and then came to Marion sixty-three years ago. She had resided in the home in which she died since 1868. Mrs. Kowalke was a life member of the Lutheran church and the oldest member of Emanuel's Lutheran church in this city.

Mrs. Kowalke was the only daughter in a family of five children. She lived a Christian life, devoting all her time to her home and church. Surviving her are the following children: Emma, Lena, Henry, Mary and Clara Kowalke, who reside at No. 424 south Main street, and Mrs. C. L. Price, No. 213 Olney avenue.

The funeral will be held from the home Tuesday morning at 10 o'clock. Rev. J. W. Schilling, officiating. Interment will be made in the Marion cemetery.

CHURCH SOCIETY

Lutherans Celebrate.

The third anniversary of the dedication of the Evangelistic Lutheran Emanuel church on south Prospect street was celebrated yesterday with appropriate services. Both the morning and the evening services were of a special festival character to commemorate the consecration of the new church three years ago.

The morning service was held at 10:30 o'clock. In spite of the inclement weather the church was well filled with worshippers. The service was commenced by the entire congregation singing "Open Now Thy Gates of Beauty." The local pastor, Rev. J. W. Schilling, read the altar services. "The Earth is the Lord's," by Rodgers, was rendered by Emanuel's choir in a splendid manner. The festival sermon was preached by Rev. S. Hunzicker, of Pomeroy. He selected as his text Genesis 28:16-22. In his sermon he stated that the house of worship is the house of God and the gate of heaven, just as Jacob found such a place at Bethel so many centuries ago.

"We may call the house of worship the house of God, because in it the Word of God is preached and the holy sacraments are administered," said Rev. Mr. Hunzicker. "Wherever the Word of God is preached, God dwells; and there God's people are able to meet Him and have fellowship with Him. What a great blessing we people of God are permitted to enjoy that we may assemble in the house of God and commune with our heavenly Father. The house of worship may be called the gate of heaven, because in it we receive the forgiveness of sins."

"Where our sins are forgiven the door of heaven is opened wide before us. This is done in our house of worship through the power of the gospel which is preached there. Because our church is the house of God and the gate of heaven, we children of God should regard it with deep reverence and holy awe, as Jacob did in days of old, and we should also faithfully fulfill our vows and pledges which we have made to God in this house."

Following the sermon a beautiful soprano and tenor duet was rendered by Mrs. George Turner and Mr. William Ackerman, Jr.

The church was again well-filled for the evening service. Emanuel's choir rendered "Lord, I have Loved the Habitation of Thy House," by Torrance. The sermon was again preached by Rev. Mr. Hunzicker. He selected as his text Eph. 2:19-22. In his sermon he spoke of the spiritual building of the Christian church. He set forth that the foundation of this spiritual building is the divine truth as it is taught by the prophets and apostles. "If a building is to stand firmly it must have a solid foundation. The church has a foundation on which she will stand forever. The corner stone of the church is Christ Himself. He is the corner stone rejected by the builders, but whom God the Father has nevertheless chosen as the corner stone of His church. It is the glory of the Lutheran church that she preaches nothing but Christ and Him crucified. The living stones from which the walls of this spiritual building are constructed are the members of the church, the true be-

lievers in Christ," said the minister.

"The sinner who rejects Jesus Christ will always be sorrowful, even as the rich young ruler who came to the Master by night went away sorrowing," declared Rev. George M. Landis, at Trinity Baptist church last night, in his sermon on "The Rich Young Ruler." The text of his sermon was Mark 10:21.

Rev. Mr. Landis continued, "This young man was materially rich in the eyes of men. He possessed youth, health, wealth, rank, and power. He also was rich in a moral way in the eyes of men. He was humble, educated, moral, religious, and sincere.

"But in the eyes of God, this man was poor. He had kept the letter of the law in the commandments only; he had violated the spirit of them in many ways. He was an idolater; he loved his possessions more than God and plainly showed it when he refused to sell his possessions and give all to the poor. He did not love his neighbor as himself, for who knows but what this man might have been a second 'Paul' instead of the 'nameless one whom Jesus loved'."

"The vital thing the young ruler lacked was Jesus Christ. So far as we have record of in the Bible, he never again had the opportunity to accept salvation, and he went away sorrowing." The revelation of Jesus Christ brought sorrow into his life and this sorrow was twofold. It was of the present, for he probably regretted the incident the rest of his life; it was eternal, for he was a lost man. He bartered glory for gold, life for death, pleasure for pain, and hope for despair. He came seeking life and departed in death, lacking one thing, Jesus Christ as a personal Savior."

Rev. J. D. Harris, of Hyderabad, India, who is engaged in missionary work there for the Baptist church, spoke at the Five Memorial Baptist church Sunday morning. He gave a very interesting address on his work among the people of that country.

Rev. James Beard, pastor of the Emanuel Baptist church, spoke in the evening.

At Spiritualist Church.

The First Spiritualist church held its opening services at the old Macabee hall, on north Main street last night with Mrs. Elfrabeh Schauss of Toledo, state president of the Ohio State Spiritualists' association, as speaker. The meeting was well attended. Mrs. Schauss spoke on the subject, "Is the Orthodox Belief a Hindrance to Spiritualism?" Following the address, messages were received and Mrs. T. B. Crum, of west George street, delegate to the twenty-third annual convention of Spiritualists at Toledo read her report. The church has no regular pastor and is filling the pulpit with speakers from different parts of the state. The speaker next Sunday will be Mrs. Martha Haupt, who held evangelist services here last June.

PAUL J. SUTTON DIES OF BLOOD-POISONING

After Serum Injection To Prevent Typhoid Recurrence.

SUCCUMBS AT HOME OF PARENTS IN MARION

Funeral Will Be Held at LaRue Baptist Church Tuesday at 2:30 P. M.

Paul Jeremiah Sutton, of Forest, died from blood-poisoning at the home of his parents, Mr. and Mrs. Clarence H. Sutton, No. 562 Courtland avenue, Sunday morning at 4 o'clock, following a three-weeks illness.

Mr. Sutton had suffered an attack of typhoid fever about two years ago and to avoid a recurrence of the disease he had typhoid serum injected into his left arm at Forest a short time ago. An infection developed at the point of injection and gangrene set in. He came to the home of his parents two weeks ago.

Rev. Mr. Sutton's Grandson.

Mr. Sutton was twenty-three years of age and the eldest grandson of Rev. Jeremiah A. Sutton, of LaRue, whose death occurred last May 22, at the same hour and on the same day of the week.

January 9, 1898, Mr. Sutton was born at LaRue, and he was married at that place September 22, 1918, to Miss Grace Arlen Spicer. He was a graduate of the LaRue High school, class of 1916, and was employed here by the Midland Mutual Life Insurance company until the war when he enlisted in the aviation corps and was taking training at the Ohio Northern university at Ada when the armistice was signed. He had been selected to go to Chicago for his first examination at the time the armistice was signed.

Located at Delaware.

After being discharged from service Mr. Sutton took the general agency for the Midland Life Insurance at Delaware and was there two years. Last January 1 he went to Forest and purchased an interest in the Ford garage.

Surviving the young man are his widow; his parents; a sister, Beatrice V. Sutton; a brother, Ray T. Sutton, his grandmother, Mrs. J. A. Sutton, of LaRue, and a grandfather, Theodore F. Cook, of Morral. Mr. Sutton was a member of the Presbyterian church at Forest.

The funeral will be held from the Baptist church at LaRue Tuesday afternoon at 2:30 o'clock. Rev. Mr. Freeman, of Forest, and Rev. George Landis, of the Trinity Baptist church, Marion, officiating. Interment will be made in the LaRue cemetery.

Mrs. Anna Knepper, of Tiffin, returned home yesterday, after spending the week end with Mr. and Mrs. C. S. Weris, of south Prospect street.

LIVELY CONTESTS FOR RURAL SCHOOL BOARDS

Six-Cornered Fight for County Board of Education.

LATTER TO BE ELECTED FIRST TIME THIS YEAR

With Soldier Bonus as State Issue, It's Going To Be Election of Interest.

With every district board-of-education ticket filed and contests in most of them, contests in every village in the county, and the same in the various townships and a cornered fight for members of the county board of education, elected this year for the first time, and, as a state issue the soldiers' bonus, it looks like it ought to turn a rather dull political year into one of rather unusual interest, a statement by the board of elections announced today.

The following filed for the county board of education:
Samuel Almendinger, Waldo J. F. Carey, Green Camp, S. H. Gast, Prospect A. J. Lippincott, Agosta; J. P. Robinson, Morris; J. K. Rogers, Caledonia. Three are to be elected.

In Marion township, which, of course, includes the city, the following are in the race for the various township offices:
Trustees, three to be elected: H. W. Beaver, C. L. Bish and G. H. Dutton, Republicans; David M. Martin, Philip Shrock and W. J. Thibault, Democrats.

Constable, two to be elected: S. D. Belt and John F. Crissinger, Republicans.

2,500 ATTEND MARION STEAM SHOVEL PICNIC

Which Is Held at Lincoln Park Saturday.

The Marion Steam Shovel company picnic, held at Lincoln park Saturday, was attended by about 2,500 people during the day and evening. The rains during the afternoon probably had some effect on the attendance and made it a trifle unpleasant for those who planned their evening lunch at the park, but it failed to interfere with the program.

The outing opened early in the morning with the horseshoe pitching contest. Sixteen teams participated and the honors were carried off by William Markin and B. K. Hill. This was followed by the baseball team between teams composed of girls from the office. The teams were captained by Mary Schuler and Minnie Krack, the former's team winning by a score of seven to two. The feature of the contest was a home run by Miss Irey with the bases full.

Following the baseball game there were a number of contests for the entertainment of the crowd. In a tug of war the team captained by Henry Ebert was victorious over the team captained by Harry Smith. Glen Riddle, a member of the Steam Shovel baseball team, won the fungo hitting contest. The base running contest was won by Willard Higgins, who is also a member of the team. Hiram Schneemilch, catcher of the team, won the long distance throw. Roy Riddle, left fielder of the team, won the 100 yard dash and the broad jump.

During the day Baker's band rendered a pleasing musical program. In the evening Francis Cowgill gave an exhibition of legerdemain in the pavilion and this was followed by dancing until a late hour, the music being furnished by Davis' orchestra. During the afternoon a baseball game between the Steam Shovel team and the Silk Mills was the principal entertainment, the former team winning and clinching the pennant in the industrial league.

JOHNS-RAYMOND REUNION NEAR LITTLE SANDUSKY

Andrew Johns Is Chosen President—Other Officers.

The Johns-Raymond families was held September 4 at the home of Gilbert Raymond, one mile south of Little Sandusky. About seventy-five relatives and friends were present from Cleveland, Willoughby, Bloomville, Bucyrus, Nevada, Marion, Bowling Green, Upper Sandusky, Harpster and Little Sandusky.

The Johns-Raymond reunion was made an organization by the election of the following officers, William Bahr, of Cleveland, acting as spokesman:

Andrew Johns, president; Reuben Johns, vice president; Gilbert Raymond, treasurer, and Felicia Raymond, secretary.

The new president not being able to be present his place was filled by a daughter, Mrs. Rush Wilson, of Bucyrus. The next reunion will be held at the park at Carey the Sunday before Labor day in 1927 and that day will be observed as a regular date of each succeeding year.

Mrs. Julia Raymond, the oldest member present, was over sixty-six years and the young member present was Curtis Leroy Johns, a grandson, aged nine weeks.

MISS EFFIE DISBENNETT WEDS CHARLES M. WALTERS

Ceremony Is Performed by Dr. Jesse Swank.

Miss Effie G. Disbennett and Mr. Charles M. Walters Jr., both of this city, were married Sunday afternoon, at 3 o'clock, by Dr. Jesse Swank, pastor of Epworth M. E. church, at his home on east Center street. They were accompanied by Mr. Walters' brother and sister-in-law, Mr. and Mrs. Jacob Walters.

How to Get Relief From Rheumatism

Scientists Agree That the Cause Is Due to Waste Products in the Blood.

The blood is the means by which all tissues, muscles, ligaments and flesh of the body are directly or indirectly nourished. It is also thru the blood stream that worn-out tissues and waste products are cast out of the system.

When waste products accumulate, they are a menace to life. They cause a lowered vitality, many skin disorders and rheumatism. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after-effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address Chief Medical Director, Swift Specific Co., 732 S. S. S. Laboratory, Atlanta, Ga. All drug stores sell S. S. S.—Adv.

D. G. MEDDLES DIES A SUICIDE NEAR RICHWOOD

He Hanged Himself in His Barn.

FOUND BY DAUGHTER EARLY SUNDAY MORNING

Funeral Will Be Held Tuesday Afternoon at 2 O'Clock—Bur- ial at Bethlehem.

Richwood, O., Sept. 12.—[Special.]—David Gilbert Meddles, aged fifty-two years, died by hanging himself in the barn at his home, four miles southwest of here Sunday morning. His body was found about 7:30 o'clock by his daughter, Elsie, aged nine years.

Worry over ill health is the cause given by the family for the rash deed. Saturday Mr. Meddles was at Richwood and transacted considerable business. Among it the registration of his automobile. He seemed apparently as usual. Sunday morning when he arose he told his wife—a bride of but two months—that she did not need to hurry about getting up as he would do the chores before breakfast. When the man came for the milk it was discovered that the milking had not been done and it was then that a search was made for Mr. Meddles and his body was found. A number of years ago the man's mind became affected and he was placed in a sanatorium, but he was dismissed as cured.

Born in Union County.
Mr. Meddles was born in Union county February 26, 1869, a son of Mr. and Mrs. Cary Meddles, who reside near Richwood. His first wife, who was formerly Anna Longshore, died about five years ago, leaving her husband with nine children. Two months ago Mr. Meddles married the widow of a Columbus physician.

The children surviving are Mrs. William Burris, of Marysville; Mrs. Lewis Shultz, of near Richwood; Miss Orpha Meddles, who is attending business college in Columbus; Charles Meddles, of Columbus; Ernest Meddles, of near Richwood; and Elsie, Helen, Ralph and Chester Meddles, at home. A brother, Edward Meddles, of near Richwood, and a sister, Mrs. Viola Peters, of Columbus, also survive.

The funeral will be held Tuesday afternoon at 2 o'clock at the Bethlehem M. P. church and burial will be made in the cemetery there. Rev. Edward Van Schoik, of Claiborne, will officiate, assisted by Rev. E. R. Barrs, of Arlington.

ITALIAN KILLED IN WINDY CITY SUNDAY

With Letter in His Pocket from Father Here.

According to a special to the Star this morning from Chicago, an Italian, believed from letters in his pocket to have been Francesco Di Mario or Demario Francisco, was mysteriously murdered in Chicago last night. One letter found in his pocket was from his father in this city.

According to the story told by the police Francisco, hairless and clutching his coat under his arm, was running when a pursuer fired six shots one taking effect in the right side. The man died while on the way to the county hospital, where he was taken by the police. His shirt had been nearly torn from his back and police believe the killing had been preceded by a fight. The slayer escaped.

CARDINGTON SUFFERS \$12,000 FIRE SUNDAY

Hildebrand & Gates Grocery in Kreis Block Destroyed.

MASONS IN SECOND STORY SUFFER LOSS

T. & O. C. Depot at Marengo Completely Destroyed by Fire Saturday Night.

Cardington, O., Sept. 12.—[Special.]—Fire which was discovered at 4:30 Sunday afternoon in the grocery store of Hildebrand & Gates in the Kreis block almost completely destroyed the \$10,000 stock of groceries of this firm and ruined the shelves, counters and other fixtures in the room, which was the property of D. J. Donovan. Mr. Donovan also suffered loss by water which damaged the seed in his seed store in the same block. The second story over the grocery store was also gutted and the Masons, who have the entire third floor of the Kreis block, covering three business rooms, suffered loss by smoke and by having all their carpets and lodge fixtures removed and carried to the street. Part of the shoe stock of H. N. Steger in the middle room of the block was also carried out, but the room suffered but little. The insurance office of E. H. Conway and the office of the Morrow County Building & Loan company and Morrow County Farmers.

The fire seemed to have great headway before discovered, apparently starting in the extreme rear of the grocery store and being seen only when the cracking glass in front alarmed a number of men, including one of the proprietors, who were talking in front of the store. Only the excellent work of the fire company and the massive construction of the building, which was well protected with fire doors and windows, prevented a more disastrous fire. As it is, the loss may reach \$12,000.

The new Oakland sedan belonging to A. L. Calton, together with the garage on the William Curl lot on south Marion street, were completely destroyed by fire Friday night. The car is supposed to have caught from a crossed wire, as the Caltons had just driven in the garage about 5 o'clock after a trip from Coshocton and the fire was discovered at 6:33. The car is a complete wreck.

Saturday night about 10:30 as Lawrence Weaver and Miss Nichols were starting home from Cardington in a hurry to escape an approaching storm, they turned the

Veteran of Civil War Still Hale and Hearty

GEORGE D. SHAW, Springfield, Mass.

"To say that I feel twenty-five years younger, twenty-five years healthier and twenty-five years stronger expresses what Tanlac has done for me better than any other way I can put it," said George D. Shaw, veteran of the Civil War, who now lives at 321 Walnut street, Springfield, Massachusetts. "I am now seventy-eight years old and I don't hesitate to say I have never known a medicine to equal Tanlac. For fifteen years I was subject to attacks of indigestion that were so bad at times I would have to lay up for a week or two. For a long time I lived on crackers and milk alone as nothing else agreed with me. "When I started on Tanlac I weighed only one hundred and seven pounds and my days were thought to be numbered. I've been so wonderfully built up, I now weigh one hundred and forty-three pounds and my stomach is as sound as a dollar. In fact, I believe I could I could eat the old army rations again without it hurting me in the least. "I never saw a chance of saying a good word for Tanlac and I would like to urge the boys of the 'Sixties' who are not feeling right to give it a trial, for I am sure it would put them in line again just as it has me. For a man of my age to have no physical ailment, to be well and strong and enjoy life as he did twenty-five years ago, is certainly something to be thankful for and there is nothing too good I can say for Tanlac." Catches the Pennant.

The Marion Steam Shovel baseball team clinched the pennant in the Industrial league by defeating the Silk Mill team, Saturday afternoon, eight to nothing. The game was played at Lincoln park as one of the attractions for the Steam Shovel picnic and was witnessed by nearly 1,000 people. The contest was stopped at the end of the fifth inning on account of rain.

The Shovelers, who won the pennant last year, played great ball in the game which clinched the flag for them, and the rooters were nearly all with them. They started a bombardment on Warrick in the opening round by four hits, including a home run over the left wall by Taylor with one on. In the next round they annexed four more on a pass, three singles and two doubles. At the same time they were playing brilliant ball in the field. Rain stopped the game at the end of the second inning, but after about thirty minutes play was resumed, but the fielding was slowed down by the soggy diamond.

Continues to Win.

The Commercial-Huber team continued its winning streak in the Industrial league by defeating the Pollak-Power team, Saturday afternoon, by a score of five to three, the game being stopped in the first half of the seventh on account of rain. The victory gave the Commercial-Huber team a tight hold on second place in the league.

Price and Disbennet opposed each other on the mound and both pitched good ball, the former besting his opponent by a shade and being accorded better support. The Commercial-Huber team bunched hits with errors in the third and fifth innings and secured all their runs. The hitting of Price and the fielding of Goelcke and Harmon were features of the game.

VEIOCK ON SPORTS

Philadelphia, Sept. 12.—Johnston against Richards!

Tilden against Shimidzu!

These were the jewels in today's schedule as play was resumed in the men's national singles championship on the courts of the Germantown Cricket club.

As the third round got under way, it was a certainty that two of the strongest plays in the tournament would be out of the running before night because of the vagaries of the draw and Johnston and Tilden were favored as the probable winners. Johnston has defeated Richards decisively already this season and Tilden beat Shimidzu in the challenge round for the Davis cup, though the Japanese carried him to five sets. The lanky champion is in better form now than he was at Forest Hills, however, and should take Shimidzu's measure in four sets at the most.

BASEBALL

At Home Stretch.

New York, Sept. 12.—With pennant contenders ready to sail into the home stretch in both major leagues today, the races were no nearer to a decision than they have been for many weeks, except that there were fewer games to be played and that every game won and lost from now on will count heavily.

In the National league, the Pirates, just ousted from first place by the Reds, returned to their home lot to make a stand against the eastern invaders, opening the stretch at Forbes field, today, against the Boston Braves. Pittsburgh must meet the Dodgers, Giants and Phillies at home and then take on the hard-hitting Cardinals in a five-game series at St. Louis.

At the rate the Cardinals are coming now, George Gibson's team will find them anything but easy to handle and if the Giants succeed in winning the coming series at Pittsburgh, they will be very liable to drive right through to the pennant. In short, the chances of the Pirates, today, are anything but rosy because they are not alone well.

In the American league, the Yanks are just about as good as pennant winners. They have everything in their favor and with Cleveland on the road during the remainder of the race, New York has little or nothing to worry about.

Tagging the Races.
A tenth-inning rally by the Senators, started by Sam Rice against Rummel, enabled Washington to trim the Athletics.

Joe Bush won his seventh straight game against the Yanks, but Karr was not so lucky and the Yanks divided with Boston. One hundred thousand fans tried to get into the Polo grounds and some 40,000 succeeded.

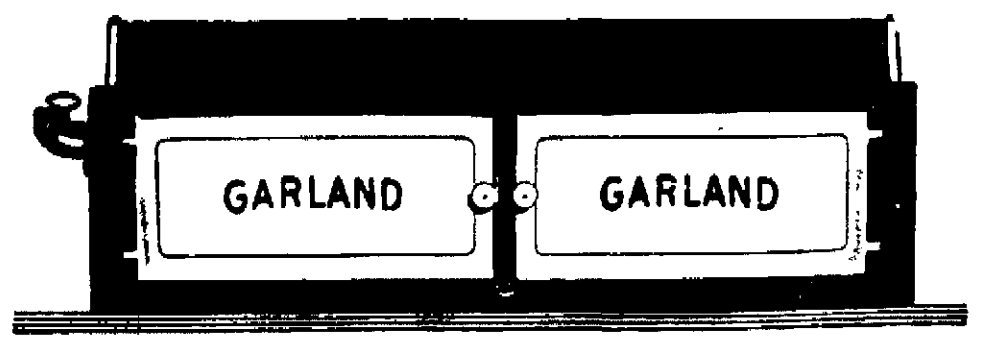

The Reds dragged the Pirates out.

WADSWORTH WINS FROM MARION DAILY STARS

Eleven to Seven, Sunday, at Lincoln Park.

JACKMAN RETIRES SELF FROM PITCHER'S BOX

Goos to Right Field—He Gets Three Hits and Puts Over Two Runs.

(BY F. L. KRANER.)

The Marion Daily Stars were forced to bow to the Wadsworth club Sunday afternoon, before a fair sized crowd at Lincoln park, and take the short end of an eleven-seven score. The local team was forced to shift its players as a result of the absence of Lattimore. Uhl was brought to the initial sack and played a sensational game, but his absence in the outfield weakened that department and was particularly noticeable and that was what caused most of the trouble for Marion.

Jackman started the mound duties for the locals and was going in fine form and with a nice lead of three runs accumulated in the opening session. When Fetter went back in short right and dropped a fly ball in this round, the way was paved for the visitors to get a start and four runs resulted in the frame. The Daily Stars forged to the front in their half by annexing two and added another in the fourth on Uhl's single and Jackman's triple. The visitors tied the count in their half of the fifth on a single, triple and the squeeze, but Fetter scored in the same half.

Goos to Right Field. Claiming he was not right, Jackman retired and went to right field and Hawkins went in at the start of the sixth. A double and two singles came in succession and a hard one went through Lawson, while the next batter singled. Then Jackman was called back to stop the slaughter. There was no more scoring in the inning, but the visitors had

three runs and with the lead of two, Clark pitched harder and held the locals safe, while his team added two more as a result of an error and two bad hops on hits.

Catchers by Stohler and O'Donnell the former making a double from his catch, and the work of Uhl at first base were particular features with Jackman's hitting. The victory for Wadsworth evened for the shut-out administered earlier in the season. The Page Dairy team, of Toledo, which lost a hard battle to Marion in July, will be here next Sunday.

France is planning to modernize the ancient port of Honfleur at the mouth of the Seine, opposite Havre.

Is your toilet asking pointedly for attention—sweeten it with Blue Devil.

Our Sunday school teacher told us yesterday that if we prayed hard for anything and what we wanted would be good for us our prayer would be granted, so last night me and Jubilee knelt by the side of my bed and prayed that a hole would open up in the ground and swallow up the schoolhouse, and then we felt better, because we knew a longer vacation would be good for us and the schoolhouse was as good as buried, and when I had let him down by the rope in his teeth this morning and had milked the cow and her dotter we went over to the vacant lot and told the bunch what I had done and we all went around to take a look at the hole with the schoolhouse in it before we went to the pasture. Some of them did not believe it would be in a hole at all, and they were right. I bet that kids all over the world was praying the same thing last night and there must be a lot of schoolhouses all over the world and God hasn't got around to ours yet. I am not going to give up till school calls next Monday morning. School is going to be off hard on boys that are used to living out doors all the time and breathing fresh air except when Hunt is around or they are under the stink factory killing rats.

Jubilee keeps looking up in my face like he knew what was going to happen and he wants to get a good look at my face so he won't forget what I look like while I am in school and he is lonesome on the outside. Poor old Jubilee has been a good friend to me and I hope he won't think I am doing it on purpose when it happens. We went swimming down to the beach and marked ourselves all up with blue clay and made out like we were Indians, and we left Hopper which is our crib and has to go with a crutch to watch our clothes and we went up the hill and got in a vineyard and

jumped up like a lot of rabbits and skinned out, and he did not say anything at first and then he yelled at us but we never looked around and when he had run through some bushes we turned back to the gully that goes down to the lake, and buried our grapes in lake sand right quick and jumped in and washed our war paint off, and when he came down we was splashing water and making out like we didn't see him, and he just stood and watched us for a while and then he went back. I bet he thinks there is a tribe of Indians living around here yet, an Indian don't have to worry about getting to school or getting long pants or anything. My father asked me if I was glad school was going to start. I bet he wanted me to say yes and then he would tick me for lying. That is the kind of a father I have got.

A test of the new way to beautify teeth

This offer is now made almost the world over. It is published in many languages. Millions of people of many races have thus found a way to fight film on teeth.

All careful people owe themselves this test—all who want teeth whiter, safer, cleaner.

That dingy film

Your teeth are coated with a viscous film. Feel it with your tongue. It clings to teeth, enters crevices and stays. Your tooth brush used in old ways leaves much of it intact.

Film absorbs stains, making the teeth look dingy. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea.

Teeth not clean

Film-coated teeth are unclean. That is why so many teeth brushed daily discolor and decay. Teeth troubles have been constantly increasing, and film is the cause of most of them.

Dental science, therefore, has sought ways to fight the film. Two ways have now been found.

Able authorities have proved their efficiency. Most leading dentists everywhere advise their daily use.

The methods are embodied in a modern tooth paste—Pepsodent. And millions of people now enjoy its benefits.

Acts in 5 ways

Pepsodent does more than combat film. It also fights starch deposits on teeth and acids.

It multiplies the salivary flow. It multiplies the starch digestant in the saliva, to digest starch deposits that cling and may otherwise form acids. It multiplies the alkalinity of the saliva, to neutralize the acids which cause decay.

Each use brings five effects which modern authorities regard as essential. It is bringing a new dental era.

One week tells

One week will show you what this new method means. It will change all your ideas on tooth cleaning.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Note the absence of the viscous film. See how teeth whiten as the film-coats disappear.

Judge then what is best for you and yours by what you see and feel. Cut out the coupon now.
